

**Celebrating an awesome year!** As support has increased here in the UK over the past year we have been able to lay foundations in Malawi. We now have five UK churches and two schools helping to raise funds as well as many regular supporters. We are so thankful to every person who has come alongside us to help establish this important work. With new people coming to our events the word is spreading! Individuals have been inspired and set their own challenge this year and helped to raise over £1,260. One amazing group of ladies, the Fireside Quilters in Hull made a beautiful Quilt for our recent auction and raised over £400 together with their other fundraising activities. A further twelve quilts (pictured below) were also kindly donated for our first children's home. We are truly blessed! We want to wish everyone a very Merry Christmas and a Happy New year!

Shine Relief Trustees UK and Malawi

**Fundraising highlights**  
**Heart and Soul Charity Night raised £1,350** special thanks to The Company, Joy, Brain Mak and Tim Allen.

**The completion of Phase One is now within our sights!** God has provided for us in so many wonderful ways and we are extremely grateful to our prayer partners who have prayed and encouraged us. God bless you all and please continue to pray!

**Brantingham 9 Mile Walk & Zomba climb raised £1,875.43**  
 Many thanks to Kisset, Rich, Sue, Paul and Rob for helping!

**Shine supporters raised £1,454**

"Marion's 50<sup>th</sup> birthday party" raised £400, two determined 10K runners, Simon Martin and Lee Weston, raised over £462 between them and South Holderness School, a Summer BBQ, and Mark and Helen's Wedding Day fundraising altogether raised £450.

Scarborough 10K November

Ladies renewing their wardrobes at various Shine Clothes Parties helped raise £380 and some lovely clothes and jewellery items were donated some of which will be available at our next event!

**Malawi visit August 2013**

UK Trustees presented items given by St Nicholas Church and Hull Vineyard to the baby ward at Zomba Hospital and Nsondola School. UK Chairman Phil Irvin presented 26 children with school bags, solar lights and clothes. 13 year old Mbiji has cared for her 2 younger sisters and her brother since her parents died

over 4 years ago. She was so thrilled with her gifts!

**Chilambe update.** Despite searing temperatures of up to 40 degrees the roof is now up and the final interior works to the building are being completed. A bore hole, water stack, septic tank, solar power, perimeter fence and guard house will complete Phase One at a cost of approximately £20,000.

**2014-15 Plans** Over the past three years we have worked with 8 orphaned families who receive very little care and struggle to manage their homes alone. The communities supporting them are overstretched and need long term residential care facilities to provide a safe environment for such children. Phase Two will see the establishment of a children's home and farming projects across the site to help sustain the village. There are so many child-headed families across this region without support, open to abuse and living in fear.

Trustee Philip Wright met with 6 child-headed families in the neighbouring district Mwambo after flooding badly affected their homes. Jumpers from the UK, blankets, flour and bed nets were donated. Thank you to those of you who gave. Please continue to pray for these children.
